

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2001 Senate Bill 259

**Senate
Amendment 1**

Memo published: October 15, 2001

Contact: Don Dyke, Senior Staff Attorney (266-0292)

The first two items of the amendment correct the reference in the bill to the form that was not timely filed for obtaining a property tax exemption for the property addressed by the bill. The corrected reference is to the form mentioned in s. 70.11 (intro.), Stats., that must be filed by the property owner with the local assessor in order to obtain a property tax exemption for property that was not tax exempt in the previous year. That form must be filed on or before March 1 of the year of assessment. Thus, item 3 of the amendment changes the referenced filing date from March 31 to March 1.

Finally, item 4 of the amendment removes conflicting language from the bill; the parcel of property cannot both be located outside the La Crosse city limits and be located on a parcel that was annexed by the City of La Crosse from the Town of Medary. Thus, reference to “the parcel of property . . . located outside the limit of the city of La Crosse” is deleted.

Senate Amendment 1 was recommended for adoption by the Senate Committee on Universities, Housing and Government Operations by a vote of Ayes, 7, Noes, 0.
